Our Commitment To Privacy

Your privacy is important to us. To better protect your privacy we provide this notice explaining our online information practices and the choices you can make about the way your information is collected and used. To make this notice easy to find, we make it available on the bottom of every page and at every point where personally identifiable information may be requested

The Information We Collect

This notice applies to all information collected or submitted on the Taalus web site. On some pages, you can order products, make requests, and register to receive materials. The types of personal information collected at these pages are: Name, Address, Email address, Phone number, Fax, Title, Company Name

The Way We Use Information

We use the information you provide about yourself when placing an order only to complete that order. We do not share this information with outside parties except to the extent necessary to complete that order

We use return email addresses to answer the email we receive. Such addresses are not used for any other purpose and are not shared with outside parties

You can register with our web site if you would like to receive our catalogue as well as updates on our new products and services. Information you submit on our web site will not be used for this purpose unless you fill out the registration form

Finally, we never use or share the personally identifiable information provided to us online in ways unrelated to the ones described above without also providing you an opportunity to opt-out or otherwise prohibit such unrelated uses

Our Commitment To Data Security

To prevent unauthorized access, maintain data accuracy, and ensure the correct use of information, we have put in place appropriate physical, electronic, and managerial procedures to safeguard and secure the information we collect online

How You Can Access Or Correct Your Information

You can correct factual errors in your personally identifiable information by sending us a request that credibly shows the error. We use this procedure to better safeguard your information.

To protect your privacy and security, we will also take reasonable steps to verify your identity before granting access or making corrections

Web Analytics
